**Media Center News**

The media center at THS maintains a website, <http://schools.polk-fl.net/tenoroc/mediacenter.htm> for our students that includes resources to support their classroom assignments. We have databases that deal with specific subjects such as literature, science, and history and then more generalized databases such as World Book Encyclopedia. The databases require a username and password. Username is: justread Password is: just read. If you have any questions, please contact Ms. Culver at 614-9183 x 248.

Parents and students, *Testing & Education Reference Center (TERC)* database is to help our students prepare for exams such as SAT, ACT, ASVAB, FSA Reading, Algebra I End of Course and others. You and your students can access *TERC* from the media center's webpage: <http://schools.polk-fl.net/tenoroc/mediacenter.htm>. Once there, click the *TERC* icon and if prompted for a password type: **titans**. You will need to register on *TERC* but once you have created an account you can visit the database as often as you would like to read the test prep manuals and to take timed and untimed tests. You can access this database from your computer or your mobile device. If you or your students have any questions, please contact Ms. Culver, Media Specialist at 614-9183.
